If a student has an open period they do not come to school. If a student has three tests on the first day, he or she may choose to take one of them on a make-up day. The student would need to schedule a time during one of the makeup times with the instructor. Students who are absent on one of the first two days can make-up their tests on the following days. Students will not be burdened with taking three or four finals in one day and will have time to study for final exams, as they will not be attending class except for testing time.
